Psychological therapies for people in South Eastern NSW impacted by the 2025 Bondi Incident

Addendum No:	1
Date:	19.02.2026
Summary:	Industry Briefing Questions and Answers

Questions and Answers		
	Question	Answer
1.	How will clients be referred into the service, and is there a central intake?	COORDINARE does not have a central intake system. However, we will promote the service widely so that GPs and other clinicians know how to refer. Clients will also be able to self refer; they do not need a GP referral or Mental Health Care Plan. COORDINARE will ensure visibility through GP networks, HealthPathways and other communication channels.-refer
2	How will the PHN ensure that clients can find the service and that clinicians receive referrals?	COORDINARE will promote the service across the region to ensure consumers are aware of it.
