Questions and Answers

	Question	Answer
1.	How is the term “women” defined in this EOI? Does it refer to individuals assigned female (with uterus) at birth or those who identify as women?	For the purpose of this project, the women's business discussion is only appropriate for women. COORDINARE is committed to inclusive practices and hearing from people who may have a cervix but do not identify as women. If you would like to share experiences to inform this project please reach out to us at commissioning@coordinare.org.au

If you have other questions, please reach out to COORDINARE via Commissioning@coordinare.org.au
