

## Community health and wellbeing Consultation survey

### The following best describes me:

- Community member
- Community managed organisation employee
- National Aboriginal Community Controlled Health Organisations employee
- General practice employee
- Government Department employee (please specify below)
  - Local Government
  - Local Health District
  - The National Bushfire Recovery Agency
  - Department of Education
- Other (please specify below)

### My responses are regarding the following local government area:

- Bega Valley
- Eurobodalla
- Queanbeyan Palerang
- Shoalhaven
- Snowy Monaro
- Upper Lachlan

### What do you see is working now in the recovery of your community?

**Where are the opportunities to improve the health and wellbeing of your community?**

**How can we improve the health and wellbeing of groups in our community experiencing isolation due to the restrictions of COVID-19?**

**Please select the population group/s you will be referring to and include your response in the text box below.**

- Aboriginal and Torres Strait Islander peoples
- Socioeconomically disadvantaged groups
- People born overseas
- People in more rural or remote areas of our region
- People with disabilities
- The elderly
- Young people

**Is substance use an issue in your area and if so, what services do you identify are most needed?**

**The creation of the following community-based supports would aid bushfire recovery in my area:**

**Do you have any additional comments, questions, or concerns you would like to share?**

**Thank you for taking the time to complete our survey.**

**Please scan and email your responses to [lblanchette@coordinare.org.au](mailto:lblanchette@coordinare.org.au)  
or you can post to COORDINARE PO Box 325 Fairy Meadow NSW 2519**
