

## Living with Covid PPE Bundles and PPE Emergency Provision Order Form (GPs, ACCHSs and GPRCs)

This order form is intended to supply approximately one month's supply of PPE per practitioner for:

- GPs, ACCHSs and GPRCs willing to manage COVID positive patients face-to-face, until 30 September 2022
- ACCHSs and rural and remote GPs willing to manage COVID positive patients virtually and respiratory patients face-to-face, where workforce capacity is limited AND the GP is serving the community for most or all health needs, until 30 September 2022
- GPs and GPRCs willing to manage COVID positive people virtually, and respiratory patients face-to-face are eligible to access P2/N95 and eye protection, until 30 September 2022 (Please order under Section 4 below)

Please note you must not place an order for a practitioner if you have previously ordered PPE items for the same practitioner within the last 4 weeks.

**Section 1: Living with COVID (LWC) PPE Bundles ordered per practitioner**

Please fill out the below table for each eligible general practitioner

- **Each bundle contains: P2/N95 respirators** (90 units), either **goggles or face shields** (40 units), **full length gowns** (40 units), **gloves** (100 units), **surgical masks** (80 units) and **hand sanitiser** (2 bottles).
- This bundle is intended to supply each practitioner with 1 month’s supply of PPE (equivalent to 40 patient visits). If practitioners have a higher case load (i.e., over 40 patients), bundles can be ordered more frequently. Please complete a separate line for each practitioner indicating size choice.
- **You have the option to select preferred size of P2/N95 respirators (small or regular) and gloves** (small, medium or large).
- The Department of Health will endeavor to meet your size choice, however in the event of stock unavailability, the Department will automatically allocate the next size up.
- **General practitioners must provide PHNs with the provider numbers of relevant general practitioners** treating COVID positive patients, for whom the PPE is sought.
