**Looking for quality  
translated health information?**

**Visit [healthtranslations.vic.gov.au](http://healthtranslations.vic.gov.au)**

This portal gives you access to more than 10,000 translated health resources in over 90 languages. Resources on the directory are regularly checked for quality so you know you are accessing reliable health information.

**Do you have a translated health resource?**

**[Register it on Health Translations](#)**

We are calling out for contributions from organisations who have translated health information. By registering your resource, you are helping health professionals and community members access the health information they need. You will also increase the number of people who will see your resource and give your organisation more exposure.

Go to [www.healthtranslations.vic.gov.au](http://www.healthtranslations.vic.gov.au) and click 'Register your resource'.
