

STRATEGIC PLAN 2017 - 2020

Vision

A coordinated regional health system which provides exceptional care, promotes healthy choices and supports resilient communities.

Purpose

Supporting primary care in our region to be person centred; accessible; safe and high quality; comprehensive; population orientated; coordinated across all parts of the health system.

Guiding principles

- Evidence based
- Community collaboration and participation
- Clinical engagement and leadership
- Innovation
- Efficiency and value for money
- Accountability and transparency

Strategic priorities

- Putting consumers front and centre in all that we do
- Supporting general practice as the cornerstone of primary care
- Influencing the market through provider engagement and commissioning
- Partnering to integrate services and systems
- Building local networks and place based leadership
- Developing our organisation capability

Health priorities

Addressing inequities and service gaps for those most at risk of poor health outcomes in the following areas:

-  Chronic conditions
-  Prevention initiatives
-  Mental health and suicide prevention
-  Drug and alcohol
-  Aboriginal health
-  End of life care

Outcomes / key results

Improved health outcomes 	Better consumer experience 
Enhanced provider satisfaction 	Increased value for money
